

COMPANY PROFILE

Well come to morgan design.....

morgan design is a highly promising 100% export-oriented company involved in the business of quality garment buying house, trader, manufacturer and exporter. The company is managed by a group of highly qualified and well-experienced personnel who are dedicated to ensure high and consistent quality of the products for the maximum satisfaction to our valued customers through effective utilization of time.

The real journey of our company began in 2001 when we start working in the readymade apparel sector and as an ultimate result of 20 years of working experience, we launched our dream venture **morgan design** in Bangladesh and over the years, strong ethics and commitment to our buyers from across the globe helped us to become the one of sourcing market leader from near future.

When in Bangladesh **morgan design** entering in the world of textile market with its readymade garments trading and manufacturing business and ever since we never looked back.

Our adherence to the standard and ethics of export trade like quality and timely shipment earned us more and more buyers' confidence that helped turning a resourceful company.

morgan design works exclusively with suppliers/Manufacturer that are either Fair Trade certified, pursuing certification, or use ethical and sustainable business practices. Becoming certified can be an expensive and difficult process and is only open to developing countries. While we strongly support this system, we feel it is of equal importance to also support local ethical businesses and those who may not yet qualify for **morgan design** Buyer's.

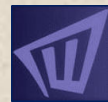

All of our policies and business practices are built upon equitable and sustainable practices, and environmental respect.
